

Keystone Connections

Connecting With Your Neighbors

Dear Homeowner,

The first half of the year is flying by and summer is fast approaching. We want to take this opportunity to share some of the accomplishments in our community so far.

We addressed several issues with our sprinkler system and made the necessary repairs. This will ensure the water is getting to the plants and trees. The wall has been power washed and new landscaping has been installed at our entrances and along the East Lake wall.

New lighting has been installed at the main entrance which really brightens our sign at night. Things are coming together.

Nancy Medford, Butch Miller, Susan Park, and Justin Cheney were appointed to the Achitectoral Committee. Please be sure to submit an architectural request to Ameri-Tech before making any improvements to your property.

As a courtesy to your neighbors, please pick up after your dog.

Once again we'd like to encourage everyone to attend our monthly HOA meetings that are held the second Monday of the month at Mulligan's Irish Pub located across East Lake Road in the Wentworth Golf Club Community. If you are unable to attend, you can keep informed on what's happening in our community through our website www.keystonehoa.org.

If you would like to post something to our newsletter, please send an email to jim@placemy-bid.com.

Your 2013 Board of Directors

2013 Board of Directors

President - Jim Velazquez
Vice-President – Dave Jarvis
Treasurer, Mike Swaim
Secretary - Linda Newman
Director - Sean Allaster
Director – Tyler Butler
Director – Tessa McGrew
