MANAGER'S REPORT/OLD BUSINESS:

~ Arnie sent out the financials via email on June 5, 2024

- ~ There are four accounts with the attorney. There are no accounts 30 days past due, no accounts 60 days past due, and 1 account 90 days past due.
- ~ The County denied the permit for Stevens Tree Service to remove two trees at the north end of the wall on East Lake because the trees are on an easement. Arnie said Bill, from LRE Foundation Repair Inc., is trying to pull the permit for the tree removal and the and the north wall repair.
- ~ Marianne met with Ed from Florida Lake & Pond on May 15th. They walked ponds 7, 8, and 14. She has not received a proposal. Arnie will contact Ed from Florida Lake & Pond as well as Rich from CES tomorrow.
- ~ Arnie walked the property on June 19th and sent out 15 violation letters.
- ~ There was a discussion at the last meeting about replacing the annual plants with blue my mind, a perennial. Between the April meeting and this meeting, Rainmaker replaced the current annuals with different annuals. Steve asked Arnie to once again contact Rainmaker to get clarification on how often they plant flowers and what is in their contract. He also asked Arnie to inform Rainmaker not to take out any plants until the Board tells them to replace them. Clare said there is nothing in the contract that states plants must be replaced on a quarterly basis.
- ~ Steven tabled reviewing the lawyer's draft pertaining to rentals until the July meeting. Marianne again, asked Arnie to check with Phil to see how other HOA's are handling rentals. Edwin said he would also do some research.
- ~ The new HOA Legislation goes into effect July 1st. To date, Arnie has not provided any materials for the Board to review. HOA Board members with less than 2,500 parcels will be required to take four hours of training via Zoom.

NEW BUSINESS:

- ~ Marianne said Rainmaker submitted a quote for sprinkler repair to zone 12 not to exceed \$900. Linda motioned to allow Rainmaker to spend up to \$500, seconded by Edwin and approved by all.
- ~ Marianne asked Arnie about an Ameritech email blast to communicate to homeowners. She has not heard from anyone from IT in months. Arnie will check with IT again.
- ~ Marianne said a coach light is out at the main entrance. Edwin will check it out. She also said the timers are off due to the time change.
- ~ Arnie provided October 11th during the day for the annual Budget Meeting. Because some Board members work during the day, Arnie will look to reschedule it for another time in the evening
